NOTICE OF PUBLIC HEARING
on the
Update of the Hudson Urban Sewer Service Area Plan for 2045

Notice is hereby given that West Central Wisconsin Regional Planning Commission and the Hudson Urban Area Water Quality Advisory Committee will hold a public hearing to take testimony concerning the proposed update of the *Hudson Urban Sewer Service Area Plan for 2045*. The public hearing will be conducted on October 21, 2026, immediately following a brief presentation starting at 6:00 p.m. at the Hudson City Hall, 505 3rd Street, Hudson, Wisconsin.

In accordance with the Federal Water Pollution Control Act Amendments of 1972 (PL92-500) as well as NR110 and NR 121 of the Wisconsin Administrative Code, the Sewer Service Area Plan anticipates the Hudson urban area's future needs for wastewater treatment to help protect the urban area from adverse water quality impacts through a cost-effective and environmentally sound 20-year sewerage system growth plan. The public can access the final draft of the plan at the WCWRPC website at <https://www.wcwrpc.org/hudson-ssa-update>

For those unable to attend the public hearing, written comments should be sent to West Central Wisconsin Regional Planning Commission c/o Chris Straight, 800 Wisconsin Street, Bldg D2, Mail Box 9, Eau Claire, WI 54703 or emailed to chris@wcwrpc.org. All correspondence will become part of the public record. Written comments must be received by WCWRPC no later than 12:00 PM on October 16, 2026. The Water Quality Advisory Committee will consider any written comments regarding the draft plan update following the public hearing and prior to making an advisory recommendation to the Wisconsin Department of Natural Resources on the plan.

Further information or questions, contact Chris Straight, WCWRPC, at 715-836-2918 or chris@wcwrpc.org.
